# BENCHMADE®

## 1<sup>st</sup> RESPONDER PROGRAM

Tactical Gear Distributors would like you to participate in our Benchmade 1st Responder Program. As a retailer who services our nations Men and Women in uniform you are qualified and encouraged to enroll. This program is designed to provide current and former Military, Sworn Professionals and 1st Responders the access to Benchmade in honor and recognition of their service to all of us. As an authorized Benchmade 1st Responder Program retail partner, you are required to follow the rules as shown below:

### Benchmade 1st Responder Program Dealers

- Agree to sell Products only to End Users through a physical brick-and-mortar storefront(s) detached from their home or dwelling and operate under a valid business license per the jurisdiction of the store(s).
- Agree to not market, advertise, offer for sale, or sell Products on or through any third-party website including, but not limited to Amazon or Walmart.
- Agree to follow Benchmade M.A.P. Policy (attached)
- Agree not to ship Benchmade products outside the 50 US States and U.S. Territories.
- Agree to follow all applicable laws regarding the sale of knives in relevant jurisdictions.
- Authorize TGD to list them as a 1st Responder Dealer on their website and use the marketing materials in their store.

The serrated version of the Adira(TM)'s darker, new variant, the 18060SBT-01 Adira's enhanced serrations "bite" into line and rope easier when cutting, a task that's particularly useful in wet environments. Designed with a newly understated tempest gray Grivory handle paired with a pop of color in its blue PVD hardware and gray paracord lanyard, the 18060SBT-01 Adira(TM) features a full-size, serrated 3.6" drop-point blade made of CPM-MagnaCut stainless steel, with a handsome Cerakote Blue blade finish. The hard-core angler's favorite folder - now serrated.

- Blade Finish/Color: Blue
- Blade Steel: CPM-MagnaCut Stainless Steel (60-62 HRC)
- Blade Style: Drop-point
- Deep-carry, tip-up clip
- Paracord lanyard with nylon bead
- Tempest Gray Grivory handle

The Bugout is one of the most popular knives in our line and one of the most pocketed blades in the EDC community. Originally designed and built for outdoor adventurers who demand durability in a light, ergonomic, barely-there package, it's also exactly what you'd want for the daily grind, too. It comes in a CPM-S30V drop-point blade to make maintenance a breeze. The Crater Blue Grivory handle, reminiscent of the icy depths of the sea, is contrasted by the Flat Dark Earth Cerakote blade finish.

- Blade Edge: Plain
- Blade Finish: Flat Earth

The 865BK-01 Mini Bedlam® is a fierce-looking tactical folder, pared-down in size for more practical daily carry while keeping the tactical look and feel of its full-size counterpart. Boasting premium CPM-S90V blade steel with a graphite Cerakote finish, the upswept scimitar blade shape is optimized for hooking and slicing. Handle is designed for a strong and secure hold, is aggressively textured with detailed milling, serrations, and a chamfered backspacer, providing a unique and superior grip texture that flows with the curvature of the handle.

- Blade Finish: Black
- Blade Steel: CPM-S90V Stainless Steel (59-61HRC)
- Blade Style: Scimitar
- Split Arrow Ambi Tip-Up Clip
- Striking Pommel
- Black/Coyote/OD G10 Handle
- Lanyard Hole

On the heels of the explosively successful launch of the Claymore, we heard many requests for a plain-edge variant. This highly anticipated variation of an instant hit retains every crowd-pleasing feature, including the ultra-tough and laser-sharp CPM-D2 blade, robust ultralight construction, and namesake-appropriate detailing. This nonserrated push-button auto fires with authority, sure to energize casual-carry and hardcore users alike.

- Blade Edge: Plain
- Blade Finish: Cobalt Black
- Blade Steel: CPM-D2
- Blade Style: Drop-Point
- Deep-Carry Reversible Tip-Up Clip
- Black Grivory Handle
- Blade Length: 3.60 in
- Open Length: 8.60 in
- Closed Length: 5.00 in
- Weight: 3.50 oz

Originally conceived for law enforcement and military personnel, the Claymore's mission was always to be a lightweight push-button automatic that fires with authority and doesn't compromise strength or durability. Thanks to a reinforced tanto blade profile, this variant of the Claymore doubles down on force projection for maximum defense and self-reliance in any situation.

- Blade Edge: Plain
- Blade Finish: Cobalt Black
- Blade Steel: CPM-D2 (60-62HRC)
- Tanto Blade
- Deep-carry Tip-up clip
- Black Grivory Handle
- Lanyard hole
- Blade Length: 3.6 inches
- Open Length: 8.6 inches
- Closed Length: 5 inches
